

# MATEJ PURGAR | Designer

Born 25.01.1988 - Vukovar, Cro. Love the design profession combined with art since I was a teenager. At that time I was about 14 yrs kid discovered photoshop and still love it, along with his siblings. My skill pallet includes dedication, creativity, versatility, teamwork. Ready to learn and implement new ideas the same as I want to pass on what I already know to someone who can benefit from it.

I would love to find a fit in a professional creative team striving for cooperation, passion & creativity with lots of sketching, laughs, and positive energy.
